

**ANCHORAGE SCHOOL DISTRICT
HEALTH SERVICES**

**AUTHORIZATION FOR SELF-CARRY/ADMINISTRATION OF MEDICINE AT SCHOOL
AND AFTER-SCHOOL ACTIVITIES**

The Anchorage School District permits a responsible, trained student to carry and/or self administer prescription labeled medication for asthma, severe allergic (anaphylactic) reaction, or diabetes on his/her person for immediate use in a life-threatening situation upon written order of health care provider with prescriptive authority, parent request, and school nurse approval.

PARENT STATEMENT: School _____

As parent/guardian of _____, I permit him/her to carry and self-administer the below ordered medication. I take responsibility for this permission and verify that my child has been trained in the proper administration of this medication including when to take it, the appropriate dosage, how to manage the side effects, what to do in an emergency, and understands not to share this medication with anyone else. I understand that the medication must be in the original pharmacy container, labeled with name of student, prescribing health care provider, and medication; date of original prescription; strength and dose of medication; and directions for use. ***I will notify the school immediately if the medication is changed and understand that the nurse may contact the physician or pharmacist regarding this medication.*** I agree to defend and hold the school district employees harmless from any liability for the results of the medication or the manner in which it is administered, and to defend and indemnify the school district and it's employees for any liability arising out of these arrangements.
